My Current University

Department of Earth Sciences

City, State Zipcode

github.com/kpoinar

Education

Ph.D. in Geophysics	University of Wherever, City and State, Country	1899
B.S. in Physics	Somewhere University, City and State, Country	1892

Professional Experience

Associate Professor <i>Department of Greatness</i>	My Current University 2025–present
Assistant Professor <i>Department of Greatness</i>	My Current University 2018–2025
Postdoctoral Fellow <i>Research topic: Boiling water; Advisor: Sam Nova</i>	NASA Research Center 2016–2018
Research Assistant <i>Research topic: Evaporating water; Advisor: Jan Iaccomini</i>	University of Wherever 2000–2015

Publications (also on [Google Scholar](#)) (*grad student advisee, **undergrad advisee, †postdoc advisee)

1. Author list. “Publication title”. *Journal of Great Findings*, 128(7). [10.1029/2022JF006901](#).
2. Author list. “Publication title”. *Journal of Great Findings*, 128(7). [10.1029/2022JF006901](#).
3. Author list. “Publication title”. *Journal of Great Findings*, 128(7). [10.1029/2022JF006901](#).

Non-peer-reviewed academic contributions

Author list. “Publication title”. A white paper drafted for the U.S. Ice Drilling Program.

Author list. “Publication title”. A conference paper for the Conference of Snails.

Publications submitted or in review (*graduate student advisee, †postdoctoral advisee)

Author list. “Publication title”. *Journal of Great Findings*, 128(7). [10.1029/2022JF006901](#).

Publications in preparation (*graduate student advisee, †postdoctoral advisee)

Author list. “Publication tentative title” in preparation for *Journal of Great Findings*.

Research Funding

Pending Research Funding

Proposal title line 1 if needed

Proposal title line 2

\$500,000 project budget

National Science Foundation

(requested for 2025–2030)

\$500,000 requested by My Current University: Ny Name (PI), Collaborator's Name (Co-I)

Submitted July 2024

Awarded Research Funding

Proposal title line 1 if needed

Proposal title line 2

\$1,500,000 total project budget

National Science Foundation

2025–2028

\$700,000 to My Current University: Ny Name (PI)

\$400,000 to Their College: His Name (Co-I)

\$400,000 to Their University: Her Name (Co-I)

University Teaching

My Current University

GLY 102	Course Title	1899, 1900, 1904
---------	--------------	------------------

GLY 325	Course Title	1905
---------	--------------	------

GLY 312	Course Title	1901
---------	--------------	------

GLY 447/547	Course Title	1902, 1903

Student & Postdoc Advising

PhD thesis advisor

1. **Namib Kora** (expected 2026): “Thesis Title or Topic”
2. **Casha Sharma** (expected 2029): “Thesis Title or Topic”

MS thesis advisor

3. **Jaws Shark** (2020): “Thesis Title” ([MS thesis at ProQuest](#)). *Now a Professional Geologist at Parsons Corporation, NY.*

Postdoctoral advisor

4. **Jazzy Mango** (2021–2024): Research Topic. *Now an Assistant Prof. at Synecdoche Univ.*

Undergraduate thesis supervisor

5. **Evelyn Case** (2022): “Thesis Title”. *Now a PhD student at University of Arizona.*

Undergraduate research supervisor

10. **Hora Azbo** (BS 2022), Research Topic

Higher-Profile Public Speaking

Conference Series or Venue
“Talk Title”

City, State
October 1899

Conference Series or Venue
“Talk Title”
